2020 Product Catalog

About Us

Thin Blue Line USA brought the national police flag to market, inspiring support across the country for our American Law Enforcement Officers. The new demand was met with the highest quality products and Thin Blue Line USA quickly earned its trusted name among families, departments, and communities. Our deep commitment to giving back continues to grow with us, allowing us to support the thin blue line community. We are **passionate sponsors** of law enforcement non-profits, and make it a goal to support every family effected by the loss of an officer. We are proud to have donated over **\$500,000** back to law enforcement non-profits.

Whether you are an officer, retired officer, or the loving family behind them, we support you. We understand the immense sacrifice you are asked to make. We stand by our products and are proud to help spread awareness of the tireless heroes who walk the Thin Blue Line.
